## EXPERIENCE

### MAEVN UNIFORMS

Graphic Designer October 2021 - Present  
Current responsibilities include color correcting photos, color changing product shots to the current array offered in the different collections. Create banners and posters for our retail customers per company branding.

### URBAN ARRAY

Graphic Design Intern June 2020 - July 2020  
Collaborated with a team of four other creators to design an e-commerce store for protest wear, posters and various merchandise.  
Designed and developed logos and phrases to be used for the store merchandise.

### NEEDLE IN A HAYSTACK

Designer/Typesetter August 2015 - August 2019  
Created typesets as well as facilitated printing operations for invitations and occasionally reply sets as well as stationery, often with envelopes.  
Communicate and assist customers about their orders.  
Compiled and created vector artwork to send to vendors for outsourced orders as well as digitize artwork that customers have brought in.
